# Inner Healing Conference with Dennis Jernigan and Friends

**June 20-22, 2013  
Muskogee, OK**

*How to Find Healing for  
Your Soul and Discover  
Your True Identity,  
Calling, and Purpose in  
Life in the Process*

Do you need healing for past or current wounds?

Do you have hidden sin you don't even know how to begin to deal with?

Are you riddled with guilt or shame and do not see a way out?

Has life turned out less than you had expected?

Do you struggle with unwanted same sex attraction?

Does your spouse struggle with hidden battles like same sex attraction or pornography?

Do you fear it's too late for you to change or to see your dreams come to pass?

Do you constantly flounder your way through life hoping to one day find a reason you are here?

Would you like to know how to take the worst failures of your life and see them transformed into monuments of God's grace and glory?

Do you know wounded people who need help but you just don't know how to reach out to them?

---

**If you answered 'yes' to any of these questions, this conference is for you. The Inner Healing Conference 2013 is more than just a series of teaching sessions. Each keynote address by the conference speakers will be accompanied by opportunities to receive healing and cleansing and renewal.**

### You'll hear from: Dennis Jernigan -

Married to Melinda for 29 years, father of nine, minister to hurting people all over the world, Dennis has been walking in freedom from unwanted same sex attraction for 31 years.

You'll hear his story and other episodes of specific healing he has gone through and he will share on how to live an abundant life by learning how to live life from a Kingdom perspective...by learning why it is important to know Who you are and more fully walk in the awareness of who you are in Christ.

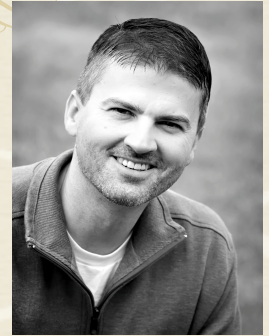

**Melinda Jernigan** -married to Dennis and mother of those nine children, Melinda has her own story to tell and will speak specifically to women as to how to bring health and healing to a marriage and to a home.

**Dani Jernigan** - Daughter-in-law of Dennis and Melinda, wife to Israel, and minister to hundreds of girls in Germany, Dani has gone through inner healing of great loss in her own life and freely shares her hurts and the process of healing as she has experienced in the hope of helping others through their own battles with loss. Dani will also be addressing how to deal with shame.

### Dean and Jeanie Briggs -

Dean lost his first wife, Amy, to cancer, leaving him and his four children in deep sorrow. Jeanie lost her first husband, Ray, in an auto accident, leaving her and her four children in the

throes of grief. Through the process of walking out their grief, God brought Dean and Jeanie together and they were married, making them the parents of eight. Dean and Jeanie have endured so much in their lives

and have walked through much pain and loss...and are messengers of God's amazing grace as a result. What they bring to the conference is much more than comfort for sorrow. They bring a Kingdom perspective on how to live life abundantly in spite of life's circumstances.

*There will be breakout sessions for men and women with DJ and Dean teaching the men and Melinda, Jeanie, and Dani sharing with the women.*
